REACH Regulation: SVHC Substances (Substances of Very High Concern)

In accordance with Article 33 of REACH (1907/206/EC) regulation, Budenberg Gauge Co Ltd is obliged to inform their customers if any of their products contain a substance of a very high concern (SVHC) in a concentration of more than 0.1% by weight.

The list of SVHC substances may be found on the European Chemicals Agency (ECHA) website – <http://echa.europa.eu>

As of the date of this statement, Budenberg Gauge Co Ltd is not aware of any of their products which are sold within the European Union containing any SVHC substances in concentration over 0.1% by weight.

If any SVHC substance were present at the mass concentration indicated, Budenberg Gauge Co Ltd would inform the customer immediately.

Kind regards
